Larry the Leprechaun left you a magic treat! It may look very ordinary now, but I was told if you take a spoon and stir it, something magic will happen???. Follow the directions below and soon you will be enjoying a little magic in your tummy!

Draw a picture of what your treat looks like before you stir it.

Now stir and then draw a picture of what it looks like after you stir it up.

Before you stir, take a small bite. How does it taste now?

Take a small bite. How does it taste now?

Now that you have tasted both, which do you like better? Put a star next to the one you like the best!!!

What makes this a magic recipe and how do you think Larry did this trick???. Use the space below to write your answer.
