Match the apple to it's tree by putting it on the number that matches the tally marks under it.

##  <br> แ1 H H H

|XI|X|XI

$\qquad$

## Directions: Look at your completed center.

Write the number of tally marks each of the apple below had. The first apple is done for you.

| 3 |  |  |  |
| :---: | :---: | :---: | :---: |
| 3 |  |  |  |
| 6 |  |  |  |
|  |  |  |  |

Directions: Draw tally marks for each number below.

| 4 | 0 | 5 | 7 |
| :--- | :--- | :--- | :--- |
|  |  | 4.1 |  |
| 0 | 10 | 15 | 20 |
|  |  |  |  |
|  |  |  |  |
