

Noah's Ark Printables Free from Teaching Heart

COUNTING PUZZLES

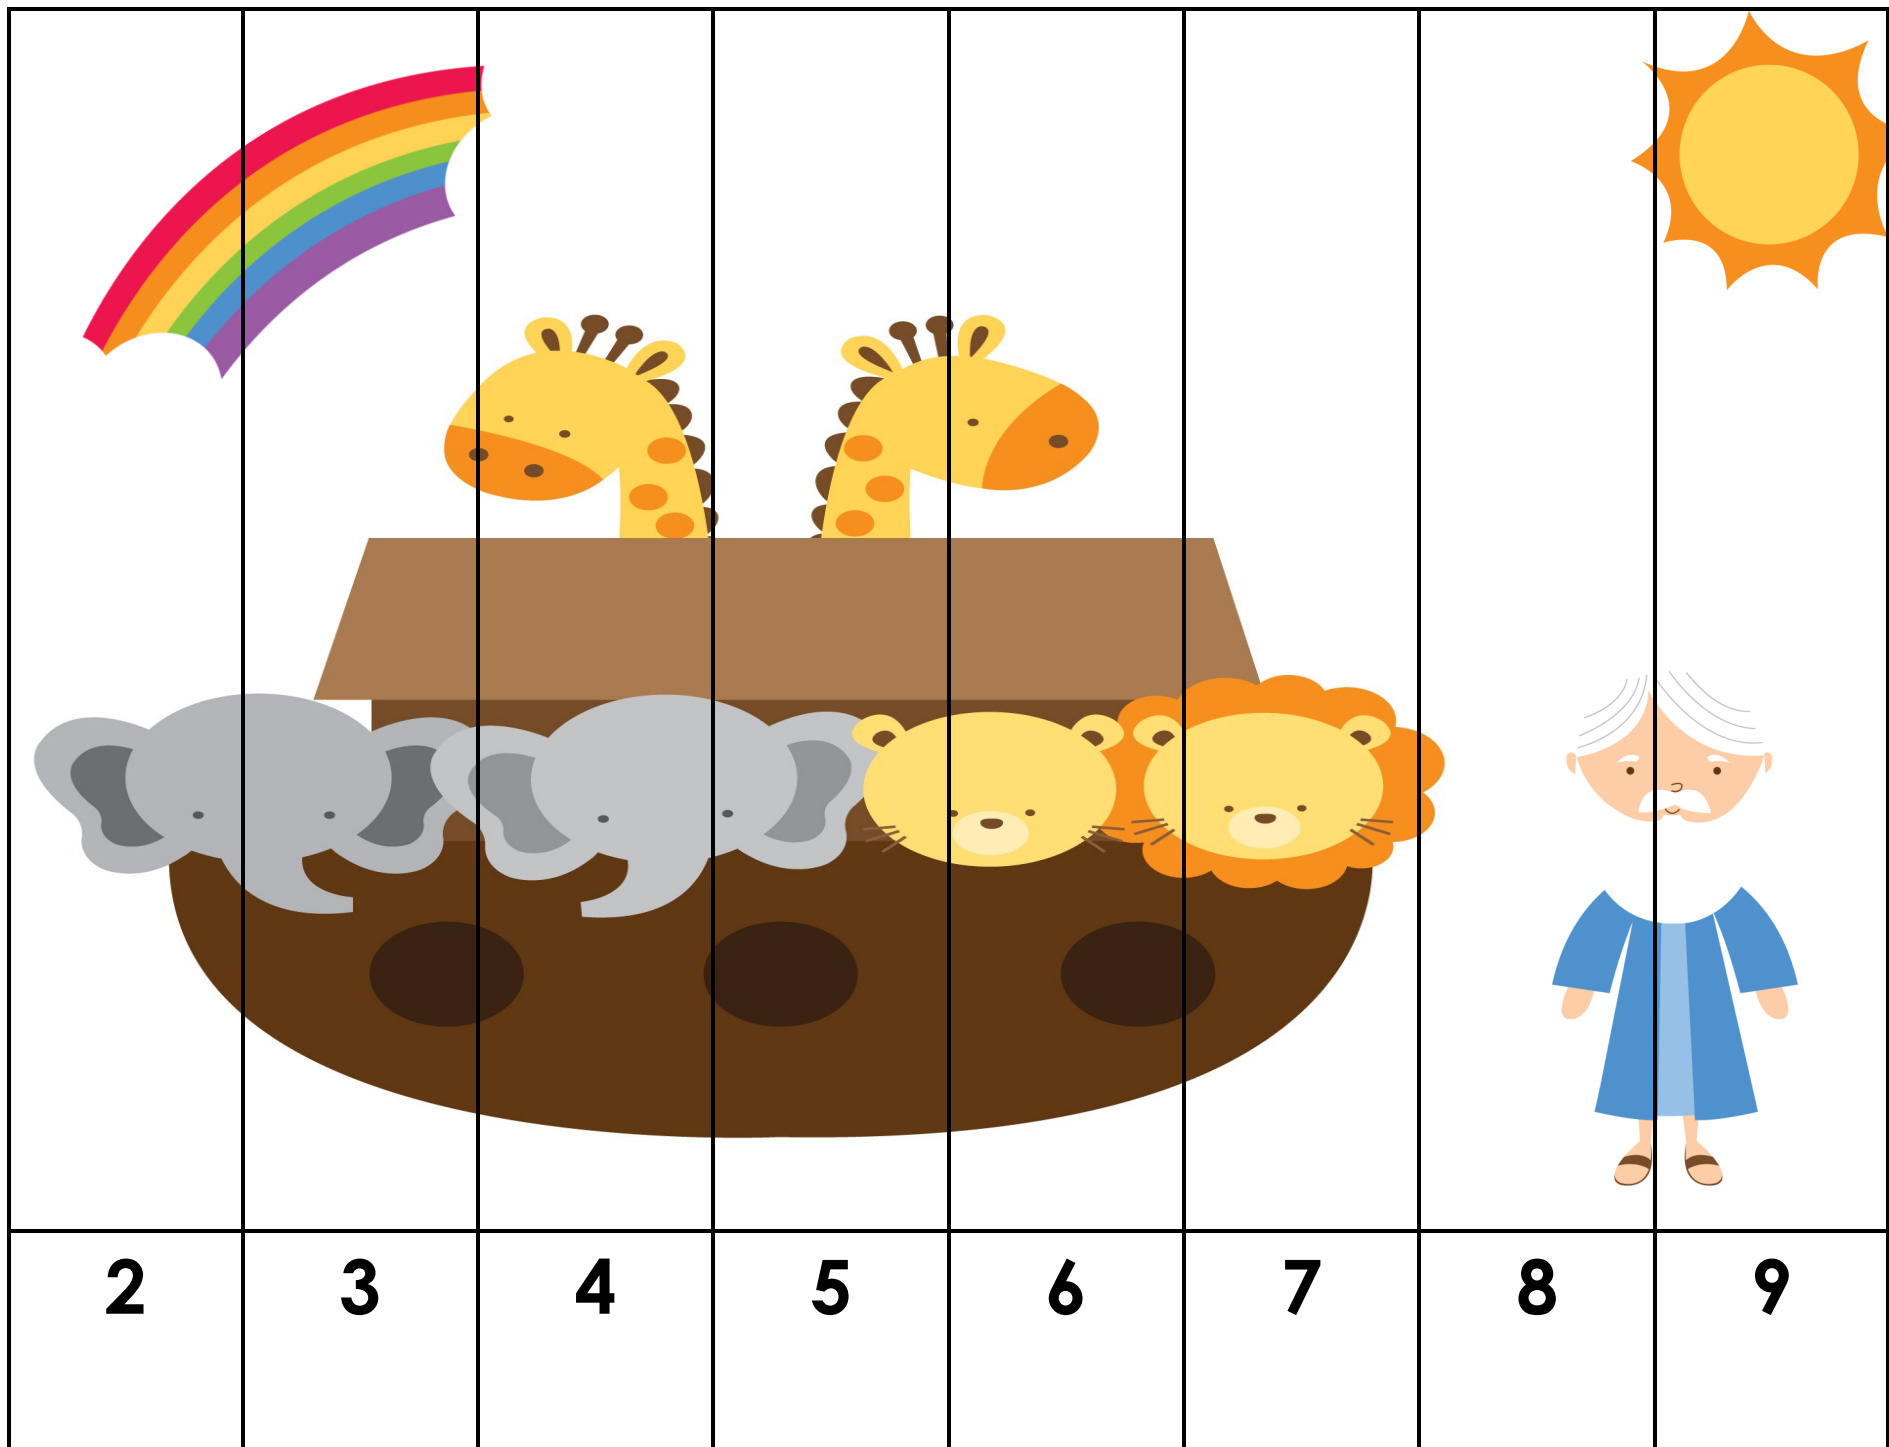

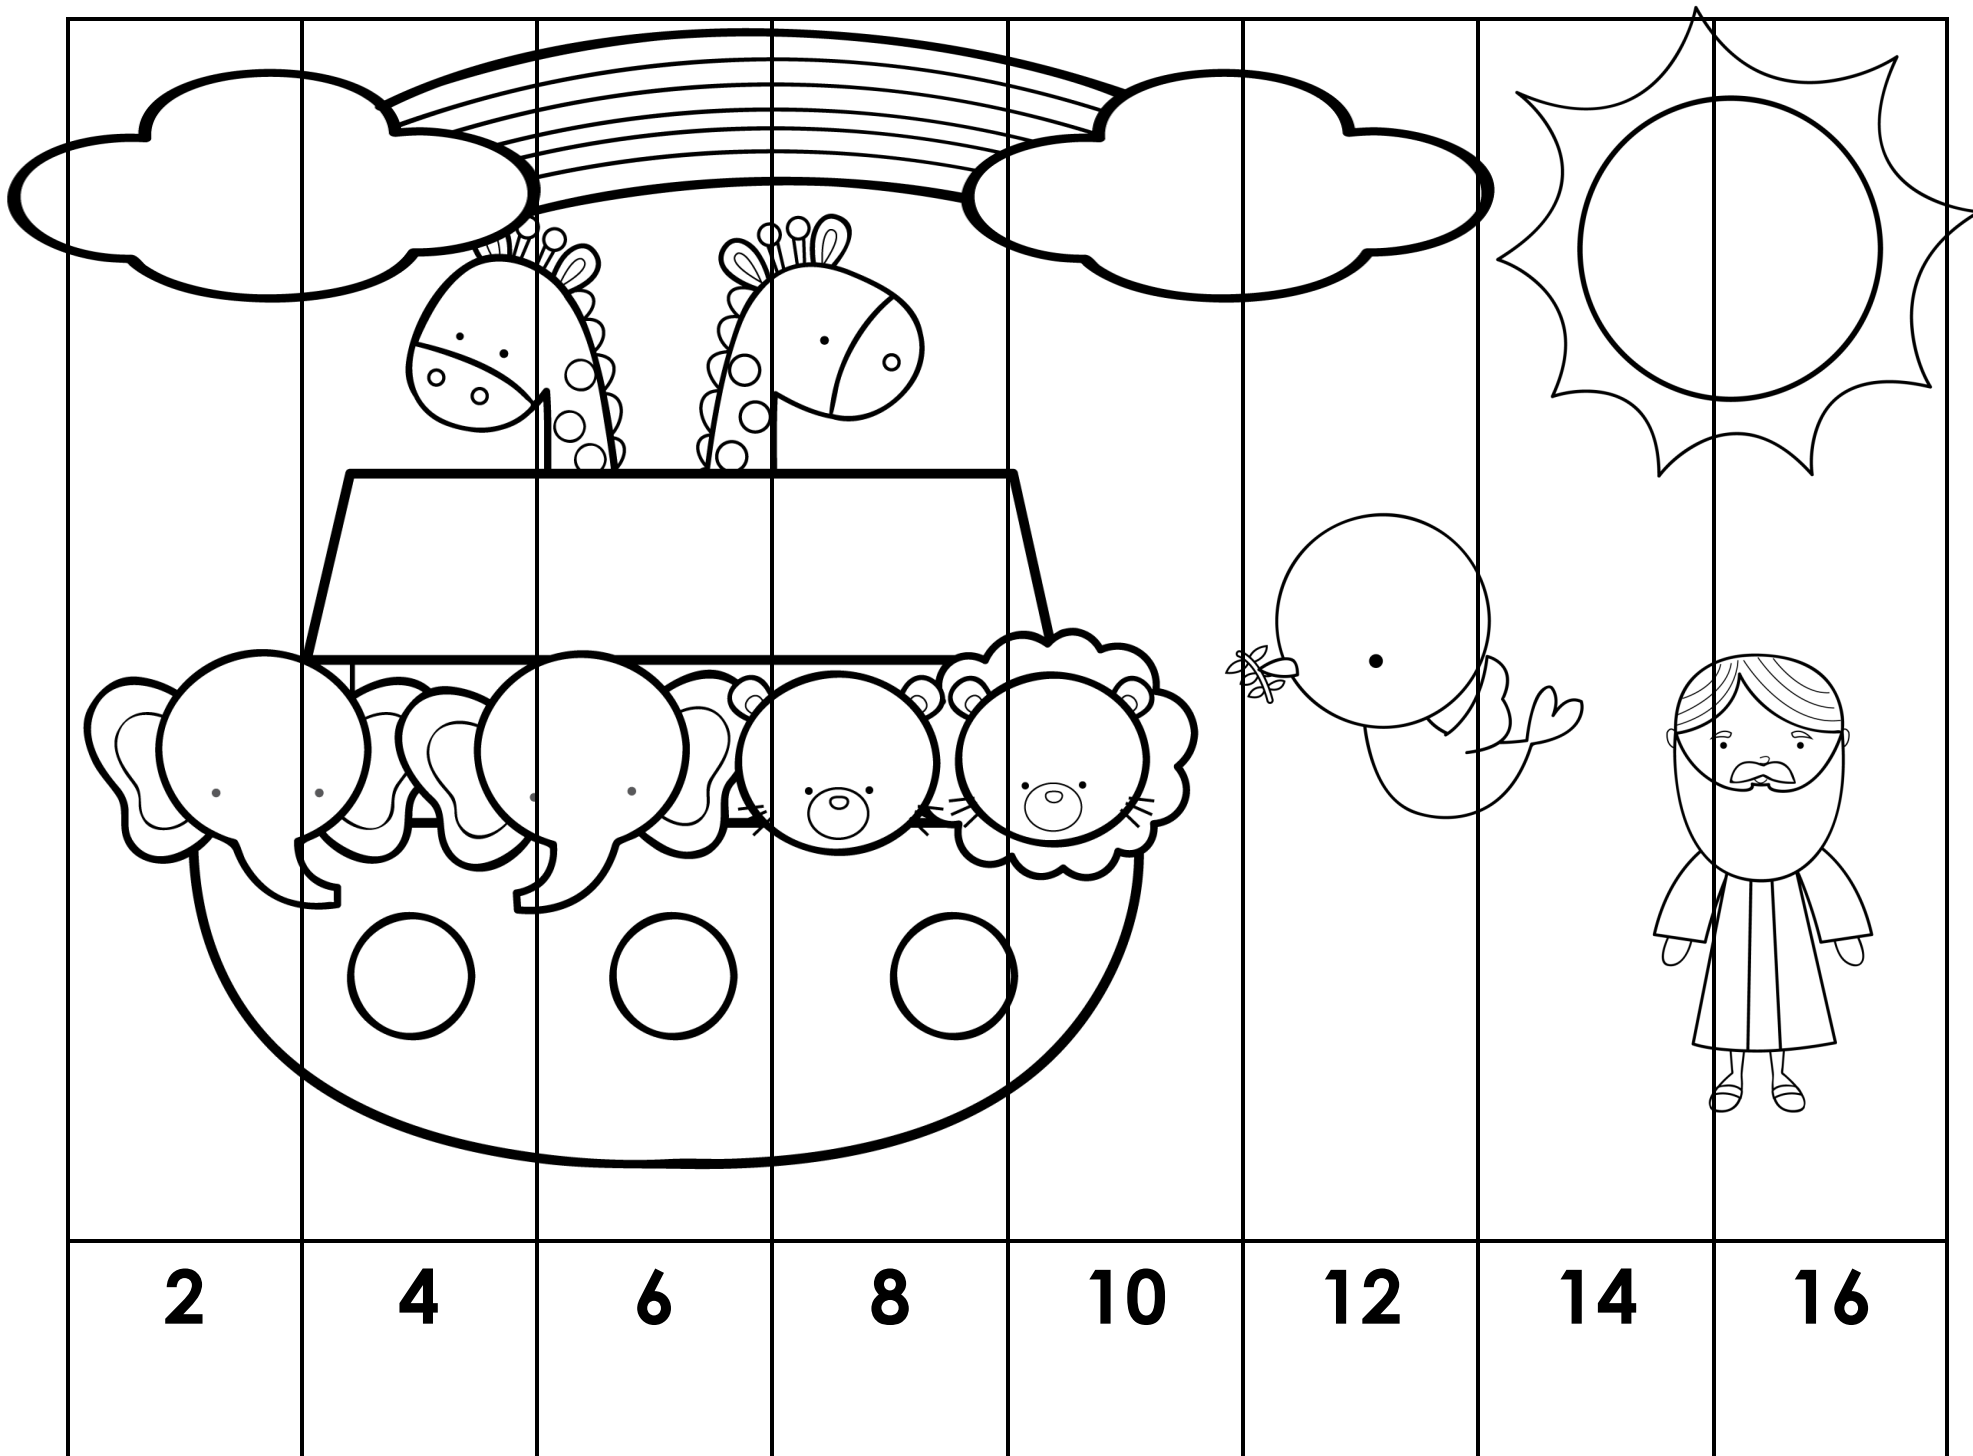

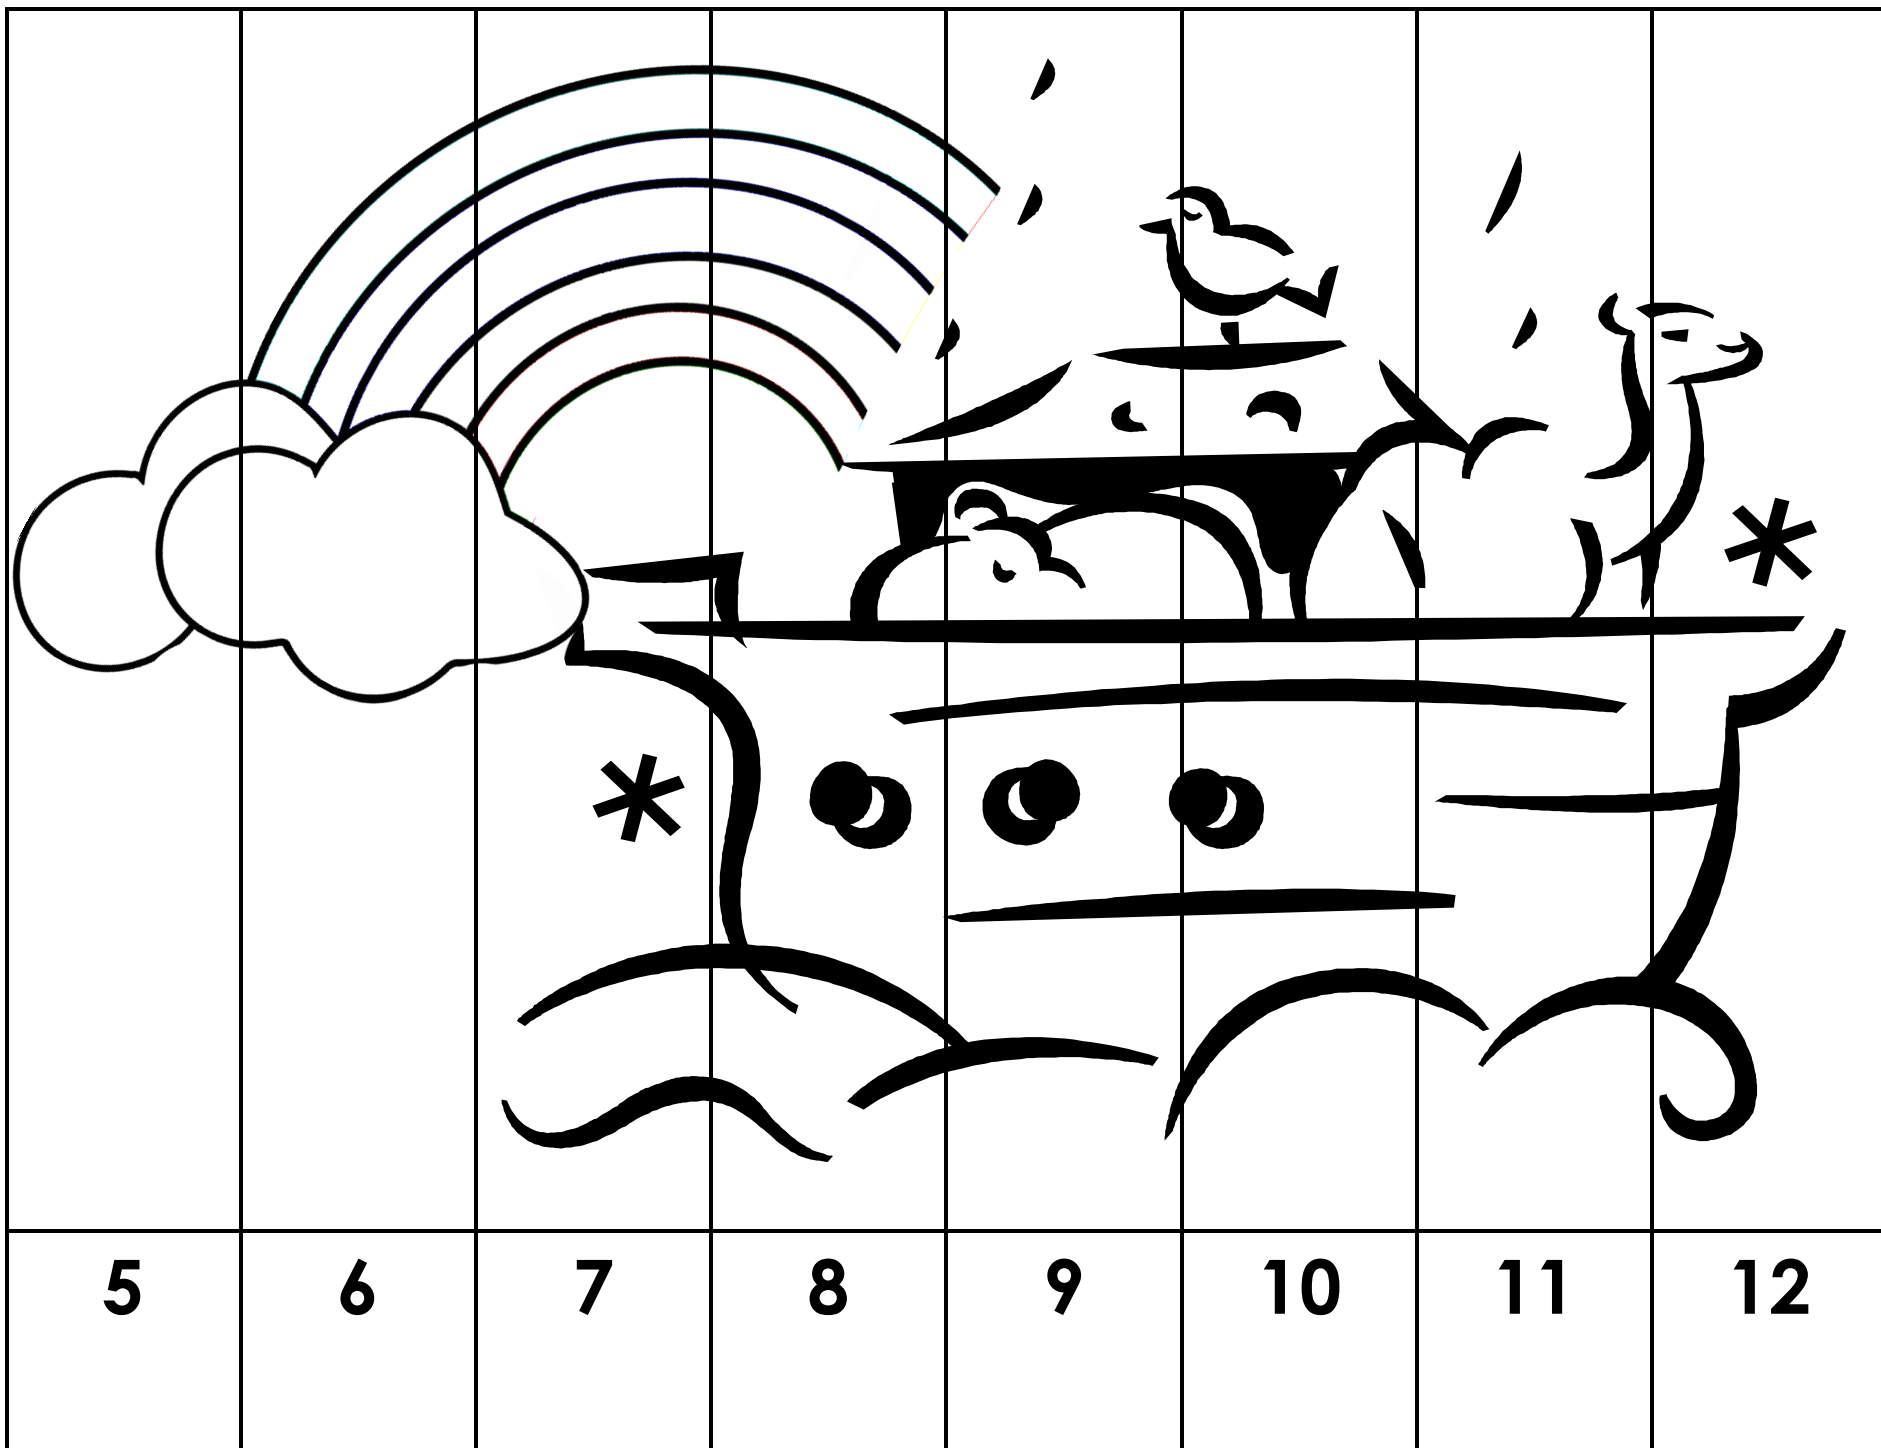

The Noah Puzzles are used just as the [Rainbow Fish ones are used in this packet.](#)

You can print the colored one on cardstock. Laminate it and re-use as a center. I use the black and white one for students to take home. They can glue it to page 5. They can color their finished product too.

God Keeps His Promises

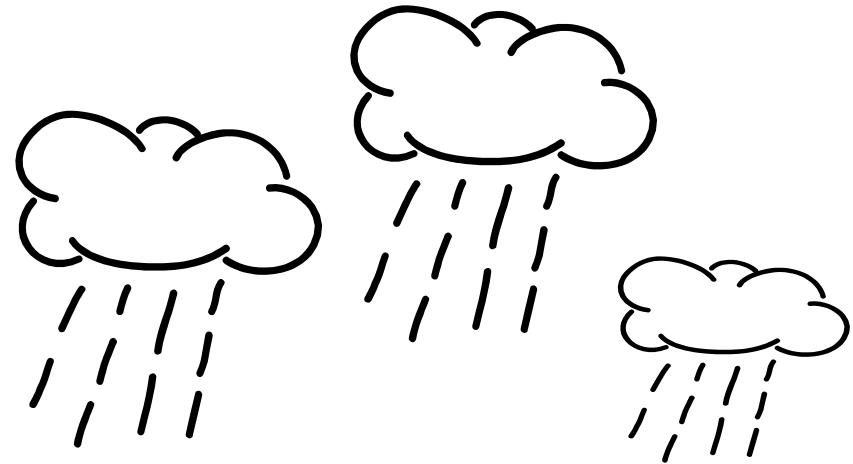

My Noah's Ark Book!

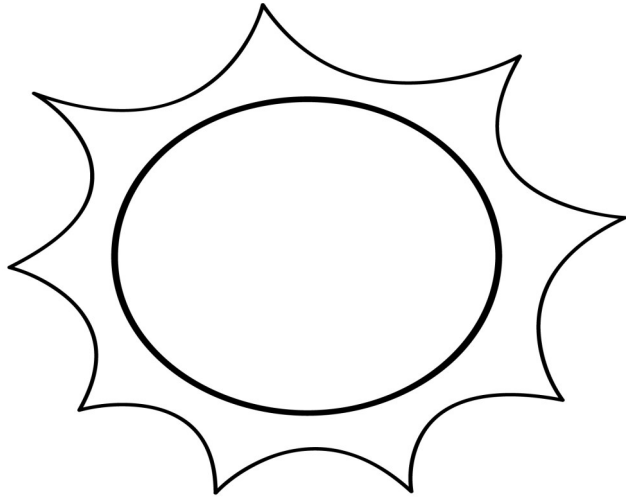

This is Noah. God asked Noah to build a large boat called an ark.

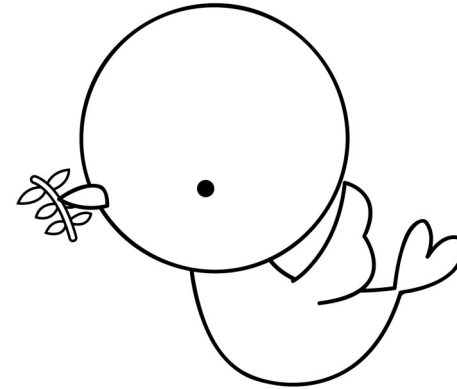

Noah built the ark. God told Noah to bring two of every kind animal on to his ark.

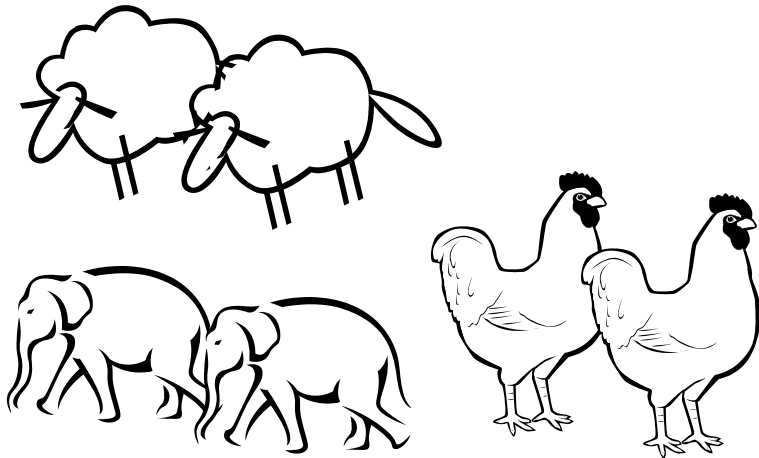

While Noah, the animals, and all of Noah's family were on the ark, it rained for 40 days and 40 nights.

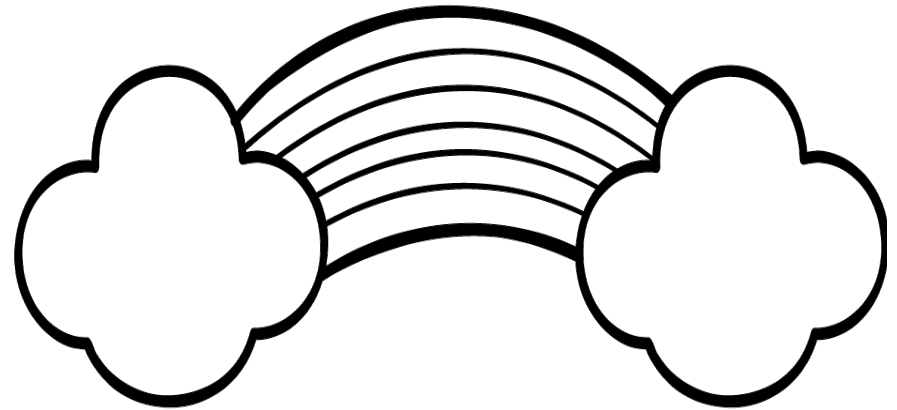

When the rain stopped Noah sent out a Dove to see if there was dry land.

The dove returned with a freshly plucked olive leaf in his beak.

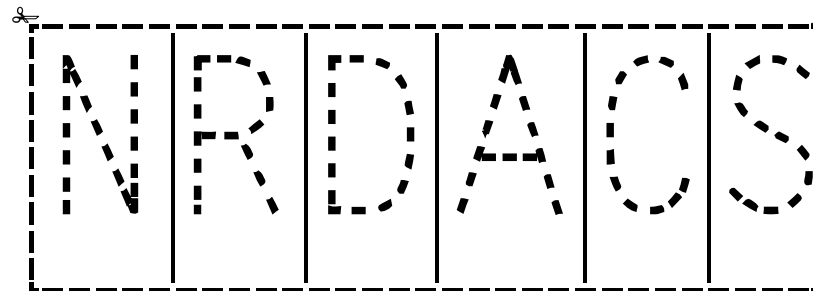

God told Noah, his family, and all the animals to multiply on earth and increase in number.

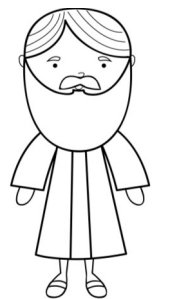

God said, This is a sign of my promise to you and all of the earth. A beautiful rainbow appeared.
