

Dear Third Grader,

Faith Formation is such a fun and relaxing Sunday adventure with Jesus and our classmates. In class I will ALWAYS expect to see lots of love and kindness – **NO EXCEPTIONS!** If you think about it, if you are loving and kind in all you do, you are also behaving appropriately! Here are a few goodies to remind you how you can shine in Faith Formation. Read them at home with an adult and discuss. I look forward to a great year sharing God's word with help from all of you!
