### Color the Advent Wreath Game:

Be the first to color the four candles (3 purple and 1 pink), flames, and wreath to win. (Note: The middle Candle is white and is not colored during the game.)

2-4 players take turns rolling the dice and completing the given task. First person to color all of the wreath is the winner.

Note: If they roll an item they have already colored the dice is passed to the next person and the roller does nothing.

Background:

Advent is the joyful waiting for the birth of Christ!

Advent wreaths are round and just like God there is no beginning and no end.

The evergreen is the symbol of eternal life.

The four candles in the wreath are for the four weeks of Advent.

There are three purple candles and one pink candle on the wreath.

The purple candles stand for royalty because Jesus is our Prince of Peace.

The pink candle stands for love.

The purple candles individually stand for joy, hope, and peace.

The white candle or Christ Candle in the center of the wreath is lit on Christmas Eve.

We light the advent candles to remind us that Jesus is the light of the world and from the darkness He brings life.

Look at the candy cane, what do you see?  
Stripes that are red, like the blood He shed for me  
White is for my Savior, who's sinless and pure!  
J is for Jesus, My Lord, that's for sure!  
Turn it around, and a staff you will see  
Jesus my shepherd was born for me!
