3 Fun Dice
Games!!

For two players. One player covers the shamrocks and one covers the coins. Students take turns rolling two dice. They add the two rolls and cover all their shapes first, is the winner!

Doing the Shamrock Bump!

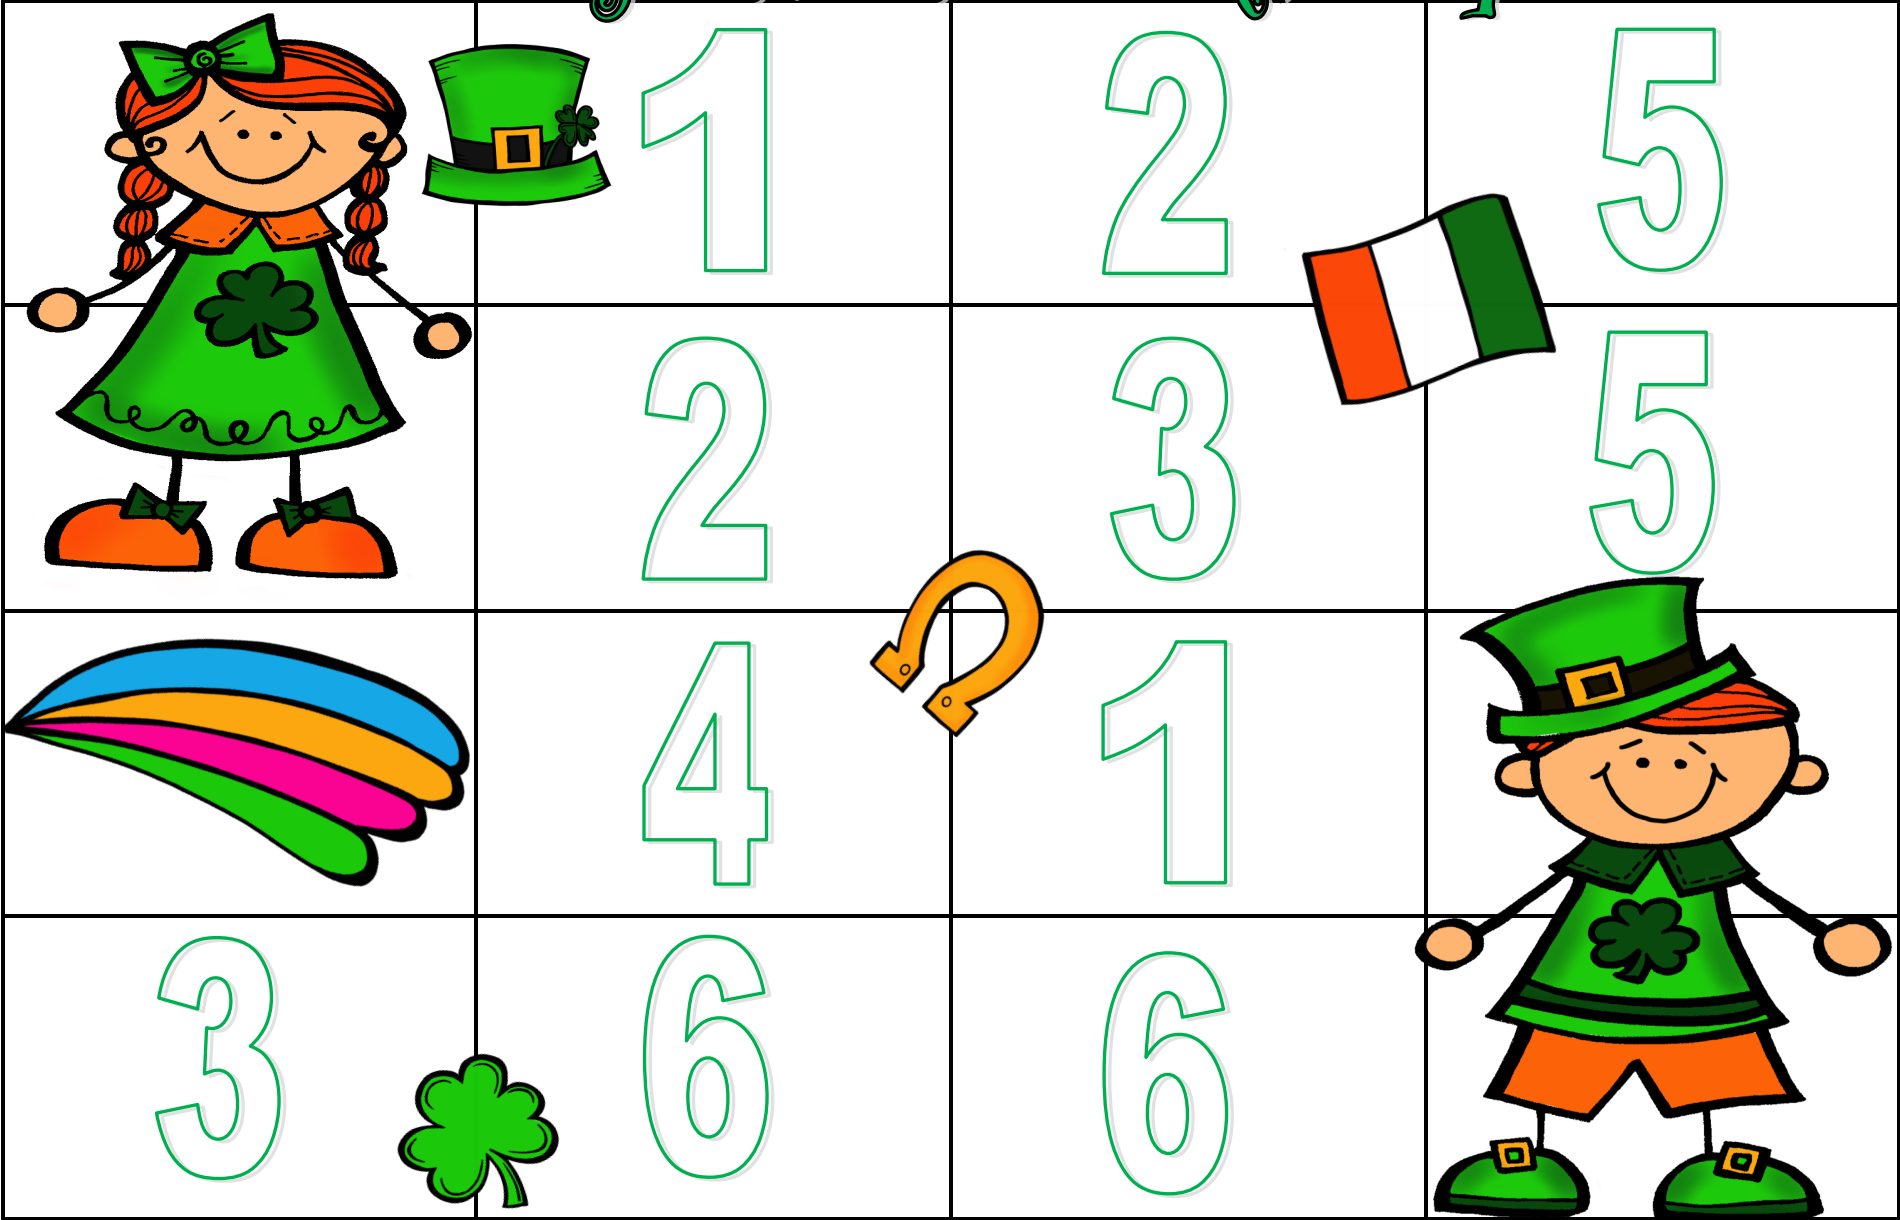

For two players. One player covers the shamrocks and one covers the coins. Students take turns rolling two dice. They add the two rolls and cover the sum. First player to cover all their shapes first, is the winner!

Directions: Each player picks 15 of the same colored chips. Players take turns rolling 1 die, count the dots, and cover up the matching number if it is open. Players can be bumped off their number until it is covered with 2 chips of the same color and is safe! When all the numbers are covered, see who covered the most numbers. They are the winner!
