Teaching Heart

$$\square - \square = \square$$

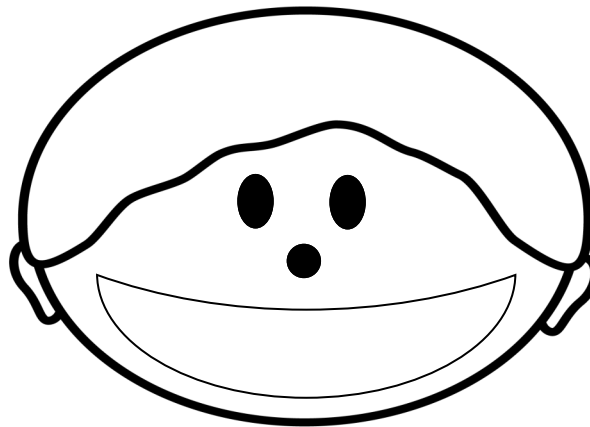

$$\square - \square = \square$$

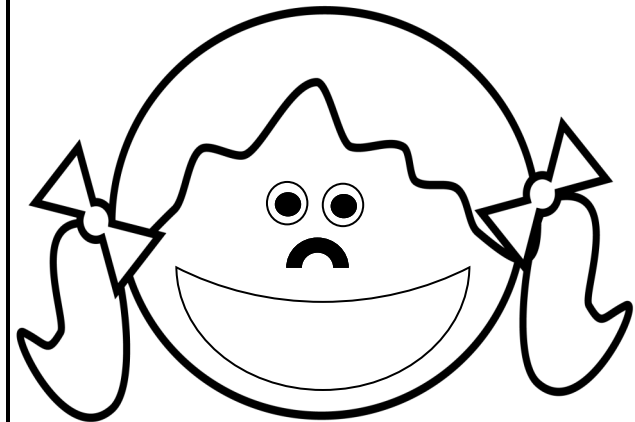

$$\square - \square = \square$$

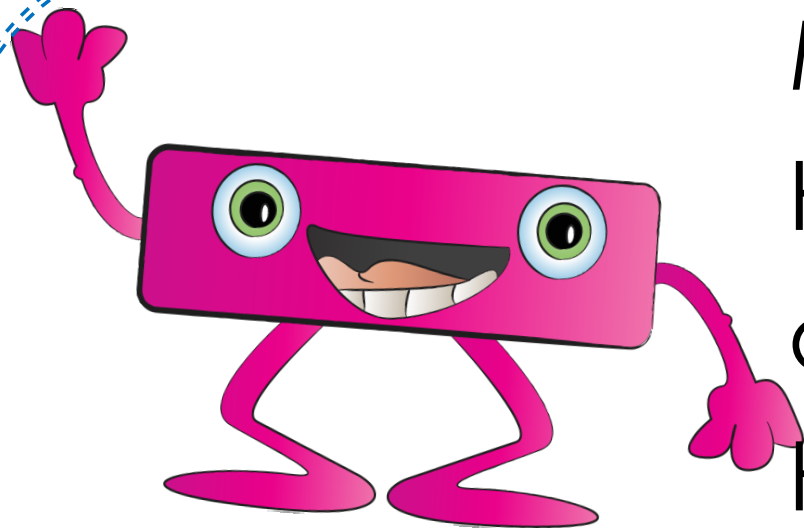

$$\square - \square = \square$$

$$\square - \square = \square$$

$$\square - \square = \square$$

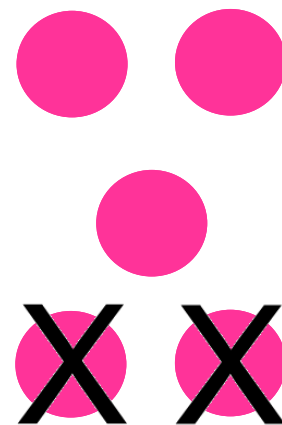

Meet Linus the Minus!

He's a naughty lad,
always **taking away**!

He's so bad!

When he comes around
you will end up with **less**!

He surely makes a **difference**,
but he will never confess!

$$5 - 2 = 3$$

Teaching Heart says Thanks to..

Click the image above to visit the stores of these awesome Graphic Artists!!!

Visit Teaching Heart at www.teachingheart.net

or the blog at www.teachingheart.net/blog to view how I used these files in the classroom!! Search for subtraction!

Thanks and enjoy!
