

Thanks for purchasing this Cowboy Western Theme Unit from Teaching Heart! I enjoyed using these activities with Pre-K and K. They were lots of fun to create! I hope you will enjoy them too! You will find both math and literacy activities. I have also included some craft patterns as well. Yee-haw! Please see the index on the next page to see the many files you will find in this packet! It is jammed packed with Wild West fun! It should keep your little Cowboys and Cowgirls very busy while learning!

Please visit [Teaching Heart](http://www.teachingheart.net) for more ideas.
